

CONCERNED AGENCIES: HOME BIODIESEL / WASTE VEGETABLE OIL (WVO) PRODUCTION

Level	Organization	Contact Person	Phone	Concern	Requirements and Limitations
Federal	Internal Revenue Service (IRS)		(800) 829-1040	Road Tax	24 c/gal road tax, see Publication 378 (04/2005), Fuel Tax Credits and Refunds
State	Board of Equalization	Steve French	(916) 445-3001	Road Tax	Producer registration (Application BOE400-FCO) required. 18 c/gal tax applicable when manufactured, refund then issued if fuel used in off-road application.
	ARB / CalEPA	Tom Jennings	(916) 323-9606	None - no AQ measures violated	None
County	Planning Department	Steve Hicks	(805) 781-5709	Flammable / combustible liquid production & storage	Storage limitation by volume (5 gal), minor use permit required if >5 gal
	SLO County Public Health Department	Greg Thomas	(805) 781-5519	None - see Environmental Health	None
	Environmental Health	Curt Batson, Jeff Poel	(805) 781-5550, (805) 781-5555	Flammable, combustible & hazardous liquid production, storage, sales, distribution and waste products	No regulation of private party production. If fuel is shared or sold or stored in quantities >55 gal, business plan required and storage/production limits are enforced. Not flammable / combustible but feedstock, product and waste products can be considered toxic.
	Fire Department	Rob Lewin	(805) 543-4244	Flammable / combustible liquid production & storage	Storage limitation by volume (30-80 gal), see CA Fire Code Table 7903.2 B

For more information please contact these individual agencies or contact C5 at 805.781.5912 or www.c-5.org

CONCERNED AGENCIES: HOME ETHANOL PRODUCTION

Level	Organization	Contact Person	Phone	Concern	Requirements and Limitations
Federal	Internal Revenue Service (IRS)		(800) 829-1040	Road Tax	24 c/gal road tax, see Publication 378 (04/2005), Fuel Tax Credits and Refunds
	Bureau of Alcohol, Tobacco and Firearms (BATF)		(925) 479-7500	None - ATTB now handles alcohol production	None
	Alcohol Tobacco & Tax Bureau (ATTB)	Dave Royalty	(916) 930-5600, (513) 684-3334	Alcohol production (spirits vs. fuel usage)	Permit, no production / use tax. Abbreviated application (#5110.74, #5181) for <10,000 gal per year. Diagram & description of operation, premises, statement of ownership.
State	ABC (Alcohol Beverage Control)	Chris Albrecht	(805) 543-7183	Alcohol production (spirits vs. fuel usage)	None - no interest in fuel production, only spirits and solvents, etc for industrial use
	Board of Equalization	Steve French	(916) 445-3001	Road Tax	Producer registration (Application BOE400-FTA) required. 9 c/gal tax applicable when fuel used in on-road application.
	ARB / CalEPA	Tom Jennings	(916) 323-9606	None - no AQ measures violated	None
County	Planning Department	Steve Hicks	(805) 781-5709	Flammable / combustible liquid production & storage	Storage limitation by volume (5 gal), minor use permit required if >5 gal
	SLO County Public Health Department	Greg Thomas	(805) 781-5519	None - see Environmental Health	None
	Environmental Health	Curt Batson, Jeff Poel	(805) 781-5550, (805) 781-5555	Flammable, combustible & hazardous liquid production, storage, sales, distribution and waste products	No regulation of private party production. If fuel is shared or sold or stored in quantities >55 gal, business plan required and storage/production limits are enforced. Agricultural operations exempt up to 1100 gal
	Fire Department	Rob Lewin	(805) 543-4244	Flammable / combustible liquid production & storage	Storage limitation by volume (10 gal), see CA Fire Code Table 7903.2 B
